Nicole has always admitted to being a sexual animal. When asked what she wanted in a man, she said 'a big and ultra-hard cock that I can suck and fuck until it cums all over me.' Fortunately for Nicole, there are several men around that fit the bill, and her pussy.

"For me, I need a cock to be big. I feel cheated if it doesn't cum up to my standards."

I want to make my guy happy, but I'm not into swallowing cum. I gag at the taste and texture of it and it's bit of a turn-off. But I love to take a big hit on my chest. It's good for the skin, and I rub it all in. Guys don't mind because they watch me do it and that makes them happy.

Over 18 only

Dear 50+.

It all started when I was about 28 and had just moved to San Diego. After a year or two I discovered the nude beaches nearby. I was fit from playing sports and tanned by the summer sun. One day I thought I was alone on my bit of the beach in a big dip in the dunes. There was I relaxing, natural in the warm sun when I saw an older couple walking towards me. They must have been in their fifties, pretty much naked, and the woman was still in pretty good shape.

I moved so I was lying on my front as they approached, hiding a rather stiff cock. It had been semi hard before but seeing her body made it more so. They both said 'hi' to me and with no invitation sat down nearby. My hard-on got much more intense as I watched her settle herself on her towel giving me a good view of her ripe pussy.

After a few minutes she came over towards me

To the editor,

I think you're trying to fool us. There's no way that the 50+ cover model, Shyla Styles is fifty. She looks like she's thirty. But I don't mind. As a matter of fact I have seen many women that are probably fifty or older but look much younger. Take Robyn, my high school girlfriend for example. We had our fortieth high school reunion a few years ago (only thirty people showed up) and she was there. I had to do three double takes to be sure it was her. When we had a chance to talk and she confessed to a couple facelifts, but it didn't show. Her body was kicking and she admitted to a boob job, but it didn't matter, she looked fabulous. I did try to get her back up to my hotel room but it seems the years have distinguished any fire in her. But I didn't care, I had your magazine that night and Shyla's company suited me nicely.

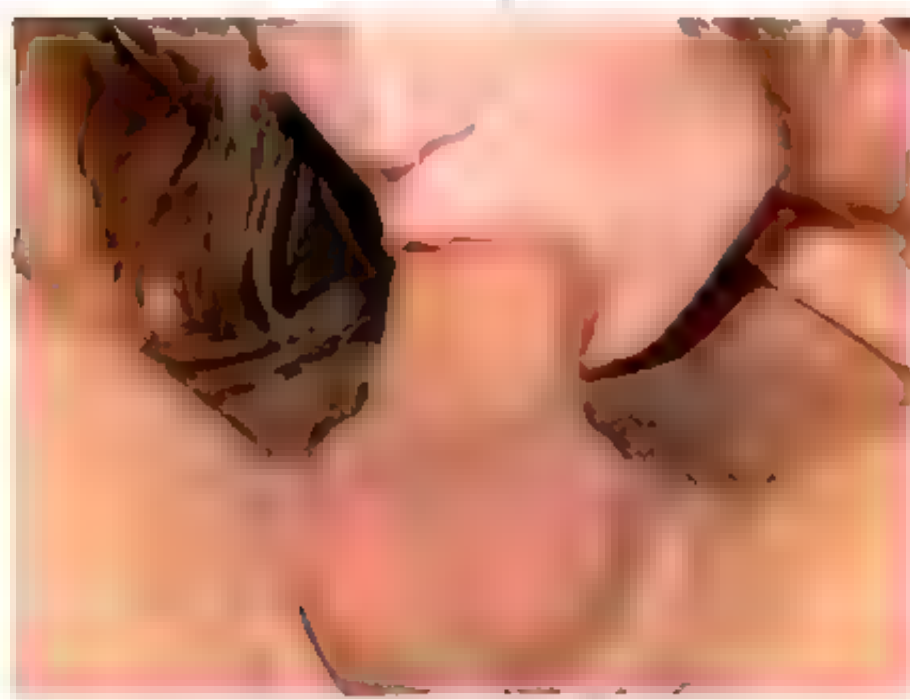

— Neil C., Class of '71, Seattle

and introduced herself and her husband. She politely offered her hand to shake. I reached up to shake it but as I did I rolled over slightly and inadvertently my stiffy came into view. I tried to cover it, but it was too late. I thought she'd be a bit embarrassed but she just smiled and staring at it said "Oh my, aren't you a big boy. I hope that's not because of me"

I went bright red and muttered incoherently staring at the naked woman. I didn't want to say that I didn't find her attractive and indeed despite her age she was very sexy. She said "I guess I should help you out with that since it's my fault!" and kneeling between my legs pushed me back saying "Just lie back and enjoy the ride young man." Cupping my balls gently and grabbing my shaft firmly, she slowly rubbed the foreskin up and down, squeezing more blood into my already firm member. She seemed to be enjoying the sensation of having a big stiff young cock to play

with. Then she licked it and sucked it deep into her mouth. One finger moved to below my balls close to my asshole. I

just above my head. I watched her suck him deep into her throat. She started to cum and I felt the familiar warm wet

gasped, she smiled and asked "Do you like that?" I moaned my approval. Wetting her finger from between her legs she stuck it right inside my anus. I winced but it felt nice Unusual but nice

I looked over to her husband and he just waved and started to stroke his stiffening cock. She then straddled me and slid my cock into her pussy, riding me slowly at first, then faster, her pussy juices wetting my balls. Her finger rubbing frantically at her clit, then pulled my hand to her clit and told me to rub it hard. Her husband then walked over and slid his cock into her mouth

sensation on my balls and stomach. I knew I couldn't hold on any longer and started to spunk deep inside her.

Then her man came soon after jetting thick white streaks over her face and in her hair. Some even dropped onto my face and chest. She licked it all up off me. As we were leaving the beach they invited me to their house later for a party with several other mature swinger couples.

I decided to go and what a night that was. There were four women there and they all took turns sucking my cock and I came for every one

of them. I have been a swinger ever since and it's now twenty-five years later.

— Gael, San Diego

Dear editor,

I am 50 and my wife is 46 and we both are very active in our sex life. She looks gorgeous and is a big head turner wherever she goes. In our almost twenty years of marriage, we've had very few kinky occasions. In this letter I'd like to tell you about them so others our age can keep their sex lives interesting and vibrant. To start with, let me tell you, my wife was very reserved initially, in terms of new sexual experiments.

Our first attempt was to make her into a sex tiger. We looked at hardcore photos, watched porn videos, and read erotic stories. This probably went on for a year or so and slowly she started getting naughty. Now, to test her, I asked her to go shopping with me to the mall — without bra. We did and she went in just a buttoned shirt and jeans.

As she walked, her nice round boobs swung, making anyone who sees them to look twice. Sales-

men at different stores became over friendly and helpful. These were really exciting moments for both of us. The next week we went to another mall. This time she was wearing a tight sweater with a zipper which was lowered to let people see a couple inches of her cleavage. This was quite bold of her.

All this was too simple for me and taking too long. But, I could see the progress of how she turning from a shy housewife into a bold and hot one. While watching some porn one night I asked her to imagine the guys and her in the movie. This way, I could get an image of the scene, hopefully to come.

While I fucked my wife in various positions, I used to ask her to imagine other men and she said she tried. That way, I was getting all positive responses. What I did next was to fix a meeting with her and my friend Charles from the office.

I had also made Charles hot for my wife by sharing a few pics of her. We met at a restaurant and talked over dinner. I suggested that lets play a dare game, in which any one can ask the other person to perform some

dare. They both agreed to give it a try

We paid the bill and left, the three of us in my car. First, I asked my wife to give me a kiss while I was driving. She immediately came close to me and gave me a kiss. Next, my wife asked me to do the same. Then I only asked them. Next, I asked her to place her hand on his thigh. She looked at me. I smiled and gave her the signal. She placed her hand on his thigh

Next I asked the same thing of Charles, to caress the thighs of my wife. He came a bit forward, placed his hand on her thighs and stared caressing it up and down. My wife was feeling quite hot. She was breathing heavily parted her legs. I could see her boobs going up and down with every breath. Then I asked my wife to remove her bra from inside her shirt and give it to my friend. She deftly un-

hooked it, removed it and gave it to him

Next, I asked my friend Charles to cup her boobs from behind. He adjusted himself and brought his two hands in front of her to do so. I saw that my wife was horny now and her eyes were begging for more. I watched him fondle her for a few minutes. Her nipples were rock hard which my friend was enjoying with his finger and thumb

Then I asked my wife to caress his thighs and check out his tool. She slowly inched closer between his legs and grabbed his rock hard penis through his pants. This went on for quite some time. He was enjoying her boobs from outside and my horny wife was playing with his dick from the outside

Next I asked him to release her and lower his pants. I asked my

wife to have a look at his dick. Without shyness or shame, she looked back at his dick. Then I asked her to hold it. I stopped the car on a side road and asked them to move to back seat. I started driving and they started caressing each other. Charles kissed her while playing with her boobs and she was busy stroking his big erection. She told me that it was bigger than mine. Ha ha.

After a few more minutes, I asked her to lower her jeans. She unzipped and lowered them along with her panty. I asked my friend to see her shaved pussy. He liked it and started caressing with his fingers. My wife was lying on the seat while he started fingering her with first one finger and then with three. She was moaning like nothing I heard before. While this was going on, I also caressed her thigh with my left hand and slowly inserted one finger in her pussy. She was in heaven now as two guys were fingering her.

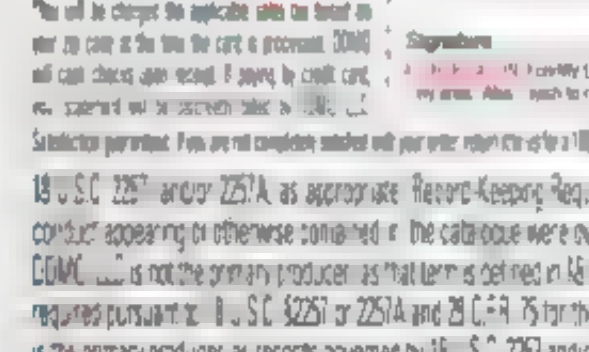

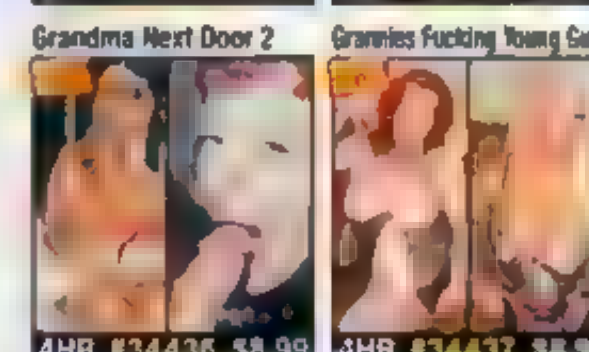

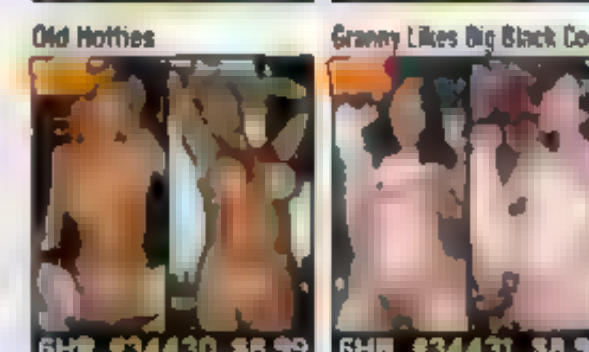

After more fingering, I asked Charles whether would he like to lick her pussy. He said, why not, it's best pussy he's ever seen. So he parted her

legs and sat down between them. He started licking her pussy and did so for ten long minutes. I watched closely as he inserted his tongue deep inside her pussy and caressed her boobs

I started the car and pulled back onto the main road. As I was driving, I could hear wild moans from my wife while Charles was busy licking her. After some time, he sat up beside her and started playing with her boobs while he started stroking his dick until he was ready to cum. I told him he could cum on her boobs and he stroked himself to climax over her, splashing his white cream on her chest.

When we arrived at his house, he stepped out the back door, looked at the both of us and walked away. We went back home and we took a bath and had one of the best fucks of our life

"It's a hot Southern California day and I'm hot and I'm horny and I'm online right now. You can watch me get fucked and then you can bring your hard cock over here so I can lick, nip and swallow it up for my supper. Then I'll watch you cum all over me and I'll have your splooge for dessert. Then you can watch me lick my fingers clean. I know you'd like that, wouldn't you?"

she was fifty but felt like a twenty year old living again in New Orleans

IT'S NOT OFTEN YOU CAN FIND LOVE AT FIFTY, BUT YOU SURE CAN FIND SEX

Angie had just moved into a new two-bedroom apartment in the other side of town. Since her husband died, Angie's had a rough time but always had a smile on her face. At fifty-three years old, five foot seven, and a well built curvy body, she had naturally blonde hair. She was the pretty, quiet lady next door type. She settled next to Tulane University because she said she likes being around younger people. It keeps her young. Per-

haps it's the cougar coming out in her. She has a well-paying job at the University Hospital. It's fair to say Angie was a breath of fresh air to the building and the guys would try and catch glimpses of her as she came and went about her daily business, sometimes dressed in her uniform and other times all made up so as to pass the door staff and flirt with them like a twenty year old.

Angie's all dressed up in a short pink dress which hung low showing off her nice cleavage, her hair was straightened and she wore it down, looking quite the sexy thing. Her friend, Olivia, is a rounder brunette a very firm D-cup chest. At ten pm they headed off into town taking a taxi for the short ride to Diamond

Jim's. Olivia was wearing a black skirt and black top. Nice, but it could have been sexier. She gets out first, then Angie. At Diamond Jim's, the ladies get in free and it's twenty bucks for the guys. Inside, the ladies drink free, and there were a ton of them. There were also a large number of guys. All types, all ages, all sizes. The music was loud and the line the bar was four or five people deep. The women could only get one drink at a time and this

meant there was always a large number of them at the bar and a number of men trying to chat them up and get the odd sly grope. Having been in line since getting there, Olivia was getting louder and louder and frustrated at not being served and Angie was getting fed up by the number of hands that had brushed her ass and "innocently" bumped into her boobs.

Angie felt a hand on her right shoulder and looked up and saw a familiar face. It was Adam. She recognized him and said "Hello." Adam, well seasoned as a regular in the bar, was holding two beers. He said to Angie, "You'll be waiting all night trying to get a drink. Have my back up beer." He always bought more than one, because as expensive as it was for the guys to

buy drinks it was a good way to get a female's attention who was fed up waiting for the free drink. Ange took it and thanked him. Adam then suggested they move away from the bar where it was quieter. Ange looked at Olivia, who could see what was going on, and gave her a wink before Ange and Adam moved outside to talk.

Adam was already a bit tipsy as he had been out on his own for a while. Ange too was feeling it having shared a half bottle of vodka with Olivia before going out. Ange struggled to understand some of the idle chat due to Adam's slight Creole accent and the noise from the music. They were leaning into each other as they tried to hear each other talk. The night went on and Ange never saw Olivia again until she got a tap on the shoulder at two am from her to say she was going home and asked if she was going to be all right. Ange said she was fine. That Adam was a neighbor and to go ahead and they would catch up another time.

Adam and Ange's small talk moved to relationships and Adam asked about her boyfriend. She giggled and explained she didn't have one after losing her husband a few years ago. Adam said "Neither do I." Ange went quiet. Adam sensing he may have given the wrong idea, continued "I mean I don't have a girlfriend." Ange giggled as her friendly neighbor clarified jokingly he wasn't gay. Adam was considerably taller and younger than Ange and most of the talk had been in close contact shouting into each other's ears as he adjusted his stance to hear her talk. All of a sudden Adam looked Ange in the eye and moved nearer to her face. She moved up towards him, his hand on her hips and he gave her a little kiss on the lips which quickly turned to something

more as their tongues met. Adam's hand took a move down her back as he placed it on her ass and gently rubbed. Ange was getting into it and raised her right knee up so she could get closer. They broke apart and Adam said "Come on, I'll take you home." They left and went out the front hand in hand.

When they arrived, Adam held the building door open and Ange went in first. "Which one's your apartment?" Ange asked. Adam felt this was going to be a good night and led her upstairs to the fourth floor and into his apartment. Inside the lights were on and Adam took stock of his night's catch. Ange looked at Adam and surveyed his appearance. He was wearing a tight black t-shirt and black jeans and his dark hair was brushed back, held in by a little gel. It was fair to say she was as impressed as Adam. He turns some music on quietly and asks if Ange wants a drink. "I've had enough," she replies, sitting on the sofa looking bleary-eyed and her dress riding up her legs stopping just short of her panties.

"Come over here," she drunkenly demands. At that Adam almost runs over and picks her up and puts her on the floor. He immediately drives his tongue into her mouth and his left hand goes up her dress to her hip.

She lifts her butt and he grips her thong and pulls it down her legs as far as he can reach before she kicks it off the rest of the way. Adam's hand then moves to her sweet spot and he rubs it and realizes she is soaking wet as his fingers slide in with ease. He pushes it right in and rubs her clit with his thumb while kissing her neck. He then stops and helps her up and leads her to the bedroom. The lights are on and dimmed, but only slightly. He then pushes her back onto the bed. Her dress rises up and he has a

good look at her sweet spot while her legs are open. Adam whipped his shirt off and quickly pulled down his jeans and boxers. In doing so, his cock, already hard, springs up. Ange got up on her elbows and admired his hard cock. Really hard, and pointing up at a slight angle with the head glistening precum. Adam began pulling off Ange's dress and looked at her full tits noticing her nipples were hard. He grabbed her feet and pushed them all the way back. He put his hands under her knees fully exposing her pussy and ass. He looked her in the eye and then went down so his face was now inches from her wetness. He looked up and her eyes were closed. She was biting her bottom lip with anticipation.

Adam pushed his tongue out and ran it up her slit to her tight puckered asshole and all the way back to her pussy before curling his tongue and plunging it in. Then he put his right index finger in her pussy working it in and out until moments later she groaned and he felt a rush of wetness engulf his mouth. He worked his way down her pussy and rubbed her asshole with his finger, slipping the tip in – she jumped and then relaxed. This was first time anyone had ever touched her asshole. He was only the second guy to have her pussy since she was widowed. She was loving it and opened her legs wide to help accommodate his fingers.

Adam readjusted himself so he could initiate a 69 and Ange was now spread-eagled with Adam rimming and fingering her ass and pussy as his stiff cock hovered just above her face. She took him in her hand as she guided his cock towards her mouth. She then leaned forward licking his salty cock head. This was only the second cock she had had in her mouth and she was a bit of a novice but eager to impress him, and herself. She started licking the end, up and down

the shaft before taking his stiffness in her mouth and gently sucking, bobbing her head up and down, every now and again his cock touching the back of her throat. Adam eased off and pushing both her legs down, he positioned his glistening cock head at her tight hole and looked at Ange who was looking back doing that thing which was driving him crazy, biting her bottom lip. Slowly he pushed in all the way and started to pump up and down, going faster and faster with her legs now pushed down over his shoulders. He reached round and pushed a finger into her tight ass. This was the first time she had been 'dp'd' and she let out a loud moan.

He reached round and pushed a finger into her tight ass. This was the first time she had been 'dp'd' and she let out a loud moan.

Adam went faster and was getting worked up. He wasn't going to last and slowed down to a stop and turned her over and pulled her ass up pushing back into her pussy from behind. She arched her back and sunk her head down. Adam grabbed her hair and wrapped it round his fist and pulled while fucking her. She loved it and reached down to rub her clit. Adam released his grip and eased his thumb into her ass. This sent her over the edge and she squealed, cumming on the spot. Her pussy was so wet. Adam pulled out and pushed back in hard without pausing. Adam was on the edge and pushed in three more times before erupting deep in her hole. She could feel Adam's juice dribbling out her pussy and she fell forward on the bed. Ange lay there for a moment before saying "I'd better go." He watched as she scurried around the room and bent over to pick up her thong, giving him a great view of her sopping pussy and weeping ass. She got dressed, looked at Adam and gave him a kiss on the lips. Adam lay in bed, fingers folded under his head, and watched her leave the bedroom. He heard the door close and opened the shades to see the Sunday morning sunrise.

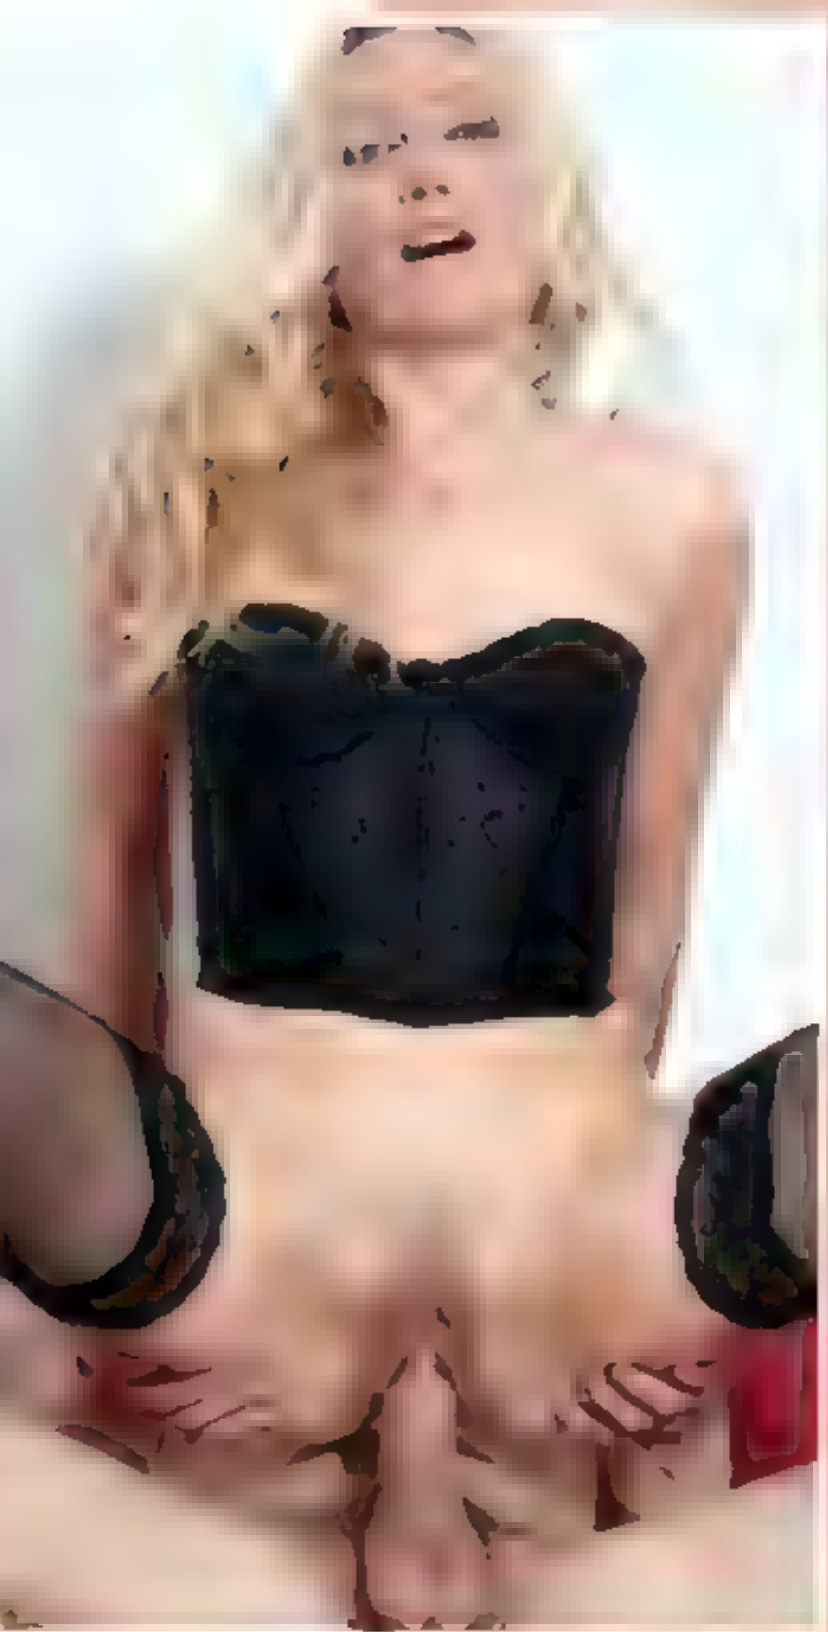

It's very important that we're open minded. Life is too short and there are too many good things to be tasted. Like I thought that all there was to sex was oral and vaginal sex.

But when I discovered my booty hole was as sensitive as it is, in a good way, my whole perspective on sex changed. And more for the better.

"When I got to the set, there were at least ten different dildos and vibrators for my selection. I settled for this beautiful glass dildo because it fit my pussy perfectly. When I inserted it in me, I could see all the male assistants get squirmy and try to hide their growing erections. When I finish with the dildo, I may have to pick out a young assistant and see if he has something to fit into my warm, wet pussy!"
